To Whom It May Concern:

Last year the Senior Nutrition Program at Belleville Area College delivered more than 72,000 meals to homebound seniors in St. Clair County. Our Program relies on dedicated volunteers to help us carry out our mission.

I appreciate that your company not only allows, but encourages your employees to contribute to the community through volunteerism.

Kay Kraft, a Stock's employee, is a very loyal and dependable volunteer for our program. With the encouragement of Stock's, she has been delivering meals two days each month, for 2-1/2 years.

I salute Stock's Underhood Specialists for being a supportive member of our business community.

Sincerely,

Sandra Bode
Program Manager
