To Whom It May Concern:

Since 1995, Stock's Underhood Specialists has provided a valuable and much-needed service to our community through the Senior Companion Program. Every month, the 120 volunteers of the Senior Companion Program of Southwestern Illinois College get together for an in-service meeting and training. But the highlight of the day is at the end when we draw for that month's free oil change from Stock's Underhood Specialists! They are always so excited and so appreciative of this service.

How many? I have no idea, but for 15 years, we have counted on your generosity and community spirit and that adds up to a lot of free oil changes. And it isn't just the oil changes, as our senior volunteers have shared with us many times how you have found other problems with their cars and fixed them for nominal fees.

The Senior Companion Program is grateful to have Stock's Underhood Specialists in our community. We have over 120 Senior Companions in our program. Our Senior Companions think it's great and so do we. Paul Stock initiated this service himself. Paul has even spoken to our group about specific car maintenance at one of our meetings.

The Southwestern Illinois College Senior Companion Program appreciates what Stocks does for our senior population and for our community as well.

Thank you!

Sincerely,
